Again, let me encourage you to take the risk free 90 day challenge. Take our vitamins for 90 day, if you don't feel better – really feel better – at the end of 90 days, just save the empty containers and I will personally help you to get 100% of your money back. I can only hope to be a small part of your success story.

I want to thank you for allowing me the opportunity to share this with you.

Once I make contact ... Qualify the prospect ... and have gone as far as I can then I send the following email with a personal note or transition sentences before leading into the following letter

The Body of the letter that I send is as follows.

The company is called Melaleuca. Melaleuca opened it's doors in September 1985 and is an international, debt free, wellness company that with a proven track record; that offers a complete line of health and wellness products for the entire family and home.

These are unique, health-promoting products, using natural alternatives to grocery store brands that help consumers live healthier lives.

One of my favorite things is that I shop right from my kitchen table for many things that I know are safer for my family, get a 30 to 40% discount and I get a 10% rebate back in an advantage account that I can shop from when my advantage dollars are \$20.00 or more. That is a nice bonus back to me!
