

# *Welcome to Melaleuca*

Thank you for supporting your church and joining Melaleuca. You have made a decision that will help to take charge of your health, save money, and provide on-going contributions to your church each time you shop. Below are just a few tips to help this new shopping experience go smoothly. If you ever have a question about the company or a product please contact the person that set up this meeting.

1. **Switching Stores** - Become familiar with your catalog. They carry hundreds of products that you need and use everyday. Products that you previously purchased at K-Mart, Target, Walmart, or your grocery store. Melaleuca's products are safer, environmentally sensitive, and a great value.
2. **35 Product Points - Preferred Customer.** You are a preferred customer at 35 base points. To maintain your status and receive Melaleuca rewards you must place an order each month for at least 35 product points. If you do not place your order by the end of the month your back-up order will be sent to you. Your back-up order is for **emergencies only**. If you do not place your order, you will receive a back-up order consisting of either a certificate (redeemable to 35 product points) or a collection of Melaleuca *Fine* products totaling 35 product points. One of the easiest ways to shop is to order a magnetic shopping list from Melaleuca and put it right on your refrigerator door, then whenever you run out of something you can just mark it down.
3. **Place Your Order** - Order by calling Melaleuca at: 800 282-3000. Another alternative is to set up your own on line account at: [www.melaleuca.com](http://www.melaleuca.com). For this you will need your customer ID number; found in the upper left corner of the invoice. Maximize your Advantage Dollars: by placing your order by the 15<sup>th</sup> of each month you will receive 10% in Advantage Dollars, once your advantage account is \$ 20.00 or more you can then spend towards the purchase of future products.
4. **Shop For Your Pantry** - Melaleuca's products are shipped UPS and it only takes a few days to get them, it is a great idea to always have extra on hand that way you never run out of the products you love. All new customers have the option of ordering a career or value pack. These products are priced at 30% below your preferred customer price. Purchasing one is a great way to experience a number of Melaleuca's products and find your favorites.
5. **Other Saving Programs** - As a Preferred Customer take advantage of all the services that Melaleuca offers: Melacom long distance, Iglide.net Internet service, the Melaleuca Executive Travel agency, the Prescription saving card, the auto saving plan, Melaleuca Credit Card and **Much More!!!**
