THERE IS NO EASY ROAD TO SUCCESS

No one has a corner on success.
Pay the price for it and it's yours.

No matter what you want from life
you've got to give up something to get it.

Nothing worthwhile in life will come easily to you.
Hard work will accomplish results that last.
Success comes disguised with a pair of overalls.
You have got to work a great deal harder than most people to get it.

There is no success at bargain basement prices.
The greater the value, the greater the sacrifice there will be required.
Everything you want in life has a price.

The highway to success is a toll road.
Everything has a price.

The greatest reality is, you can have anything you want;
if you want it bad enough, and you are willing to pay the price to get it!

The questions are... how bad do you want it?
Are you willing to pay the price to get it?

**Count the cost...
Do not give up what you want most
for what you are will to have for a moment!**
