**News Alert Class: Peace at any cost?**

#### **Bro Stef's Commentary:**

In an article by the [Jerusalem NewsWire](#) the current PM of Israel made a very interesting quote:

**Yes, "this is the land...Jewish people would pray for, yearning for and dying for in all their history: Shiloh and Bethel and Ofra and Kedumim. All these places are part of the Land of Israel, always were, and always *emotionally* continue to be.**

The word used here, **emotionally**, says it all. This word implies that the people no longer should have an intellectual or spiritual (scriptural) world view of the land that God gave them. The PM is using what I call **political speak**, to begin the intellectual, spiritual and emotional detachment from the traditional concepts of **no land for peace**. He is beginning a *new era of land or just about anything for peace*. The new PM has just put all of Israel on notice, the only thing you will have to hold onto will be your **emotional** attachments because the days of spiritual/physical attachments are over! It's kind of like he's saying, *"hey, get over it, this is a new modern era, the way you're seeing things is in the past, old school, you need to think like people in 2006 do, just get with it."*

This attitude reminds me of what our LORD went through in His wilderness experience. Satan said to Him, *"just throw yourself off the cliff and God will send His Angels to help you."* This attitude of what's the "big deal", get with it, your living in the past, is one of the Evil Ones biggest deceptions and sadly, a lot of us fall for it! When the Devil starts working over-time trying to get this message across - you can bet something big is happening in the spiritual back ground! Here's what I mean, if our LORD would have taken him up on his offer, we would have been finished. The cross would not have happened. He worked over-time trying to get Christ to cave in...Why? He didn't want God to win and he didn't want us saved. **Misery loves company!**

The reality is this, anything goes and everything is on the table for compromise and deals. The Arab world is most certainly overjoyed by this new position, however, they will temper their joy and put on a *politically correct face* of concern and trepidation.

I believe we are seeing the beginning of that time when Israel's political leaders will do, say or agree with anything in order to bring peace. **Peace at any cost will not last**. Most assuredly, peace at the cost of turning one's back on God's truth will only bring about the worst calamity known in modern history! We are seeing the formation of a "evil-demonic" spiritual system among the leaders in Israel, that will make it

possible for them to believe the lie the enemy of our souls will use, via the Antichrist, to suck Israel into the "**contract of death**" that the Prophet Daniel spoke about.

It might seem quite and it might feel like there's a lull in the air, don't buy into it...much is going on in the spiritual background. This is the quiet before the storm. It's my opinion that once Israel surrenders parts of Jerusalem and I believe that they will, this will be the **point of no return** and all hell will begin to break loose!

The world doesn't realize it and they won't get it until their very lives are almost over, but we are on the edge of eternity, history and this timeline that we are so attached to is about over. A new era and reality is about to dawn, the reality of Satan's SEVEN YEAR TRIBULATION rule of DARKNESS on this planet is about ready to unfold right in front of this generations eyes. This MUST happen to bring about the **BLESSED** and most productive time on earth, the **LORD'S 1,000 Year Millennium Reign!** This is where we are in history and I hope we are all ready to meet Yeshua face to face, eye to eye, that time is upon us all!

My friends it's time to tell those you love and care about **The Lord is Coming!**
