News Alert Class: Nobody is Stopping Iran...

In The News...

Before I deal with the current news I would like to say something to our readers. Those of you who have been with **The Middle East Peace Update Report** for awhile know that my reporting style is **not** politically correct, neither do I make any attempts to win over anyone, whether they are individuals or groups. This is a ministry dedicated to telling it just like it is! I know that at times, my reporting style upsets some individuals. *I will not and can not apologize* for being truthful and representing the issues we are faced with - with moral clarity. The times we are living in require straight talk on issues and not more of the politically correct propaganda that has found it's way into our churches and into the news media. We have lost some readers because they feel I'm a bit too honest and direct in my approach. Well, here's what I have to say, "God Bless and God's Speed to you and your families," we will continue to tell it like it is! I'm not in the business of making people feel good, God called me to tell His people the truth and I will continue to do that until He calls me home! **Thank you to all of you who stand with us and support what we are doing!**

And now the news...

It seems that the world collectively has lost their stomach for doing what it takes to put an end to Islamic Fascism, so reports Debka Files in Israel. I agree with them by the way. We have been reporting that it's our belief that Iran will probably go nuclear. As the world negotiates with Iran and the Hitler of our time, Iran senses the world is weakening in resolve and will go ahead with it's nuclear ambitions. Some feel that once Iran get's the bomb they will blackmail the west into giving into their demands, whatever those may be. I think when Iran get's the bomb they just might use it against Israel. As the world's politicians run scarred and talk their collective heads off, all of this fit's into the "end-time" scenario perfectly. If ever people wanted proof that the bible is GOD BREATHED and the inspired book that He wrote and the book that prophecies of future events that we are now living in, now is the time to take note of this truth and reality. All one has to do is read the headlines and then read the Bible (Ezekiel 37-39) and the truth speaks for itself.

TBN cancels 2nd show for criticism of Islam **Producers of 'Zola Levitt Presents' claim Christian network caters to Arab nations**

First it was Hal Lindsey and now Zola Levitt...By the way, Zola passed away April of this year. Both Hal and Zola report and provide analysis of the news in light of Bible Prophecy. When does it become wrong and off base to defend those who are attempting to destroy the world, at the expense of brothers in the Lord, so that your donations from the Arab countries and communities keep coming in? Sounds a bit like what the world body does because it's addicted to oil...appease and just stick your head in the sand and pretend it will all go away! It seems to me TBN is putting the need to cover it's costs of being in the Arab world over the need to tell the truth! Donations are more important then reporting the absolute truth. Even TBN has become ill with political correctness and wanting to make people feel good - in these last days prior to Messiah's return and doesn't have the courage to tell it like it is. You know what I say, **stop watching TBN, stop donating to it** and maybe they'll have a change in heart and ask God to forgive them for empowering the enemies of God to do harm to them and His people!

That's how I see this... [Full Story Here](#)

"Many nations shall come and say, Come, and let us go up to the mountain of the Lord, To the house of the God of Jacob; He will teach us His ways, And we shall walk in His paths." For out of Zion the law shall go forth, And the word of the Lord from Jerusalem. - Mic 4:2

Then those who feared the Lord spoke to one another, And the Lord listened and heard them; So a book of remembrance was written before Him For those who fear the Lord And who meditate on His name. AMEN! Malachi 3:16
