Thus, the Antichrist cometh!

The "Land for Peace" equation, by its very definition, legitimized terrorism as a form of political persuasion. Over the last dozen years, Israel has in effect given up almost all of its hard-won 1967 land in exchange for nothing that even resembles an illusion of peace.

Here are some of the stark facts:

Osama bin Laden: Muslim Messiah?

Joseph Farah's G-2 Bulletin is reporting that there is evidence that al-Qaeda has obtained at least forty nuclear weapons from the former Soviet Union, and that many of them may already be inside the US. Among Osama's arsenal are suitcase nukes, nuclear mines, artillery shells, and, according to Farah, some missile warheads.

That last item on the list sent a shiver up my spine.

Iran recently tested a new missile the European Union dubbed 'a failure' because it 'unexpectedly' detonated 200 miles above the earth. I set off both 'failure' and 'unexpected' in quotes because the detonation wasn't unexpected and the test wasn't a failure.

For more than 40 years, the Pentagon has known that a nuclear weapon detonated high over the United States could knock out much of the nation's electrical and electronic infrastructure.

Prophetic Analysis by Bro Stef

Well, we have arrived at the place where Israel is now the enemy and Islam is not. Israeli citizens are losing their homes because of government intervention for the **political good** of all. Iran now poses the ability to use EMP's against us, as well as Osama. Our borders are in shambles and the enemy is pouring into our country as never before and all anyone seems to talk about on the news is the economy is doing okay.

It's crazy and insane, don't you think?

It reminds me of the bible verse that says, the days are coming when they will call good evil and evil good. In other words, the world will be upside down and inside out. I think we've arrived. I think that car has left the garage.

All that is really left is for the Lord to call His kids home. And then the Antichrist and the tribulation. That's exactly where we are in history. Nothing else really needs to be done. All players are in place and ready for their curtain calls. Russia and China are aligned. Iran (Persia), Russia, and China are aligned. The EU is in place. Israel needs help from someone desperately. The falling away of the church has begun. Doctrines of Demons and the manipulation of mankind is underway. We even have the microchip (Applied Digital Solutions) to **mark** everyone in the world. There are enough nuclear and biological weapons to destroy the earth 10 times over. We have wacko Islamists that want everyone that doesn't think like them dead. What else is left?

Nothing...

Say your prayer, get your bags packed - our evacuation is upon us!
