U.S. and Russia Call For International Conference

On her recent visit to Israel, U. S. Secretary of State, Condoleezza Rice said that the United States and Russia hope to convene an international conference after the disengagement from Gaza to promote the establishment of relations between Israel, Northern Africa, and Persian Gulf countries, basically the Arab nations in the Middle East.

Secretary Rice raised the idea during a meeting with the Israeli Foreign Minister, Silvan Shalom, after the foreign minister asked for U.S. help in forging ties with the Arab world.

Jimmy's Prophetic Prospective on the News

An international conference sponsored by the United States and Russia in an effort to help Israel forge ties with the Arab countries is setting the stage for a scenario that can be found in Bible prophecy. Often reported on this program is a news story of another effort by world leaders to forge peace between Israel and her sworn enemies of the Arab world.

This recent announcement of a planned international conference sponsored by the United States and Russia to establish relations between Israel and the Arab world is another try at bringing peace to the region by world leaders. The scenario that I've just described is in line with the stage setting which must take place before the prophetic scenario in Bible prophecy can be fulfilled..

The Jewish prophets Daniel and Ezekiel and the Apostle Paul all foretold of such a scenario. Daniel 9:27 says the Antichrist will bring together peace, howbeit short-term peace in the Middle East. Ezekiel 38:8-11 reveals that these Arab nations Israel hopes to develop ties with will attack Israel when they are at peace dwelling safely among their neighbors. The Apostle Paul wrote in I Thessalonians 5:3, "when they say peace and safety the time of trouble is close at hand."

An international conference sponsored by the United States and Russia will indeed set the stage for Bible prophecy to be fulfilled.
