Bro Stef Connects the Dots:

Please take the time to look over the headlines, audio's and video's below on page 4 and 5. They are very telling. The following headline is so important that I had to highlight it here so you would not miss it:

UN atomic agency rejects Arab-led resolution targeting Israel »

The reason this is important is because the Arabs are using Israel's nuclear capability as an excuse to go nuclear themselves. Here's what they are not telling us. They have always wanted nuclear weapons period. They want any weapon that will help them achieve the "ultimate solution," the destruction of all Jews! Israel can have nuclear weapons because they will "never" use them to attack, unnecessarily, any country. The Arabs will use them for destructive means. The Arab League wants to obtain nuclear weapons because they do not trust Iran who will produce and use them. The world body should be ashamed of themselves for not speaking the truth. The Arab League should be completely embarrassed about not admitting the truth, their brothers, Iran, cannot be trusted. This is the truth of the matter. Going after Israel and taking away their deterrents is the path of least resistance in this world that hates Jews and Israel. The world appeases the Arabs and the Arabs appease their own as well.

- Clinton announces that Russian Jews are getting in the way of dividing Israel for peace purposes. Looks like Joel 3 is on the horizon. **Headline** <http://bit.ly/dkeT9t> »

- If peace talks fail, the United States will be involved in another Middle East war, Jordan's King Abdullah told talk show host John Stewart on Thursday. Revelation tells us that all the armies of the world will be gathered against the Lord. We know who wins that battle. **Headline** <http://bit.ly/b9mOti> »

- France wants to take over the Mid-East peace talks. This shows the desire of the EU to take the lead. Of course, France wants Israel to extend the building freeze 3 to 4 months longer, however, the Israeli PM can't go back on his promise he made to his supporters. **Headline** <http://bit.ly/cbYAPJ>

- We have Iran continuing to threaten Israel. We are seeing the world leaders begin to become frustrated over the Middle East peace problem. They are ready to have a leader (Antichrist) come forward with a plan. They are so fed up with this issue, they're ready to accept anything from anyone who can provide peace.

Headline <http://bit.ly/90d9xf> »

- The world is completely focused on Israel and the Arab problem now with an emphasis on Jerusalem and the division of Israel for the sake of peace. Once again Israel and the Jew will become the scapegoat for the world. **Matthew 24 "You will be hated by all..."**

Here's where we find ourselves. We have a madman in Iran who is on the fast track to nuclear weapons. Many believe he already has nukes due to North Korea and Russia's involvement. All that he needs is a trustworthy delivery system. The world body as a whole is at its wits end with Israel and the PA issue. We now know the true intention of the political elite, thank you Bill Clinton who has always had foot-in-mouth disease, along with many other immoral attributes. They want to carry out Joel 3, divide Israel for the sake of peace. We are seeing earthquakes, new diseases and bacterium strains that are popping up all over the globe, tornado's in New York, Typhoons, monster Hurricanes, Tsunami's, killing sprees, the New Age movement in full swing, many ways to get to heaven (multi-pluralistic religion) and another Mid

East war on the horizon, Russia warns that the Korea's are on the brink of war (rumors of wars Matthew 24), Fox News just reported this month that China has over 1500 missiles pointed at Taiwan and the world is crying out for leadership with answers. Oh yes, we need to throw into this perfect storm the 2008 global economic collapse and in the U.S.A. our politicians are spending us into oblivion! We are facing another economic bubble burst on the horizon via healthcare and a barrage of more BIG- government spending programs. If I didn't know better, I'd say Obama is deliberately trying to crush the U.S.A. through economic debt warfare. We must also not forget that almost 50% of Jews in Israel want the third temple built now. Jews are beginning to cry out for the return of Messiah. In Israel there is daily discussion on this topic within the rabbinical corridors. The Messianic Jewish Populations in Israel and around the globe, Jews that believe in Yeshua as Messiah, are growing exponentially! Jews are coming to Israel like never before. For the first time in 20th century history Israel's Jewish population is larger than New York's Jewish population. Russian Jews have come to Israel in droves and are now contributing to the sciences and medicine, so reported Israel National News. God has and is bringing His people back to His land like never before. The list of end-time items goes on and on. I could write volumes on them.

What does this all mean?

All this points to one unmistakable event looming large on the horizon, Yeshua , Jesus Christ's return is so close I can hear his footsteps. Someone is going to step on to the scene soon and come up with a plan to rebuild the Jewish Temple and a plan that will "confirm" (authorize, approve, sanction, settle, endorse, ratify or validate, see Dan 9:27) peace (Oslo Agreements) between the Jews and Arabs and the Tribulation will ensue. But wait, something will come first. The Lord **called Noah into the ark**. He **called Lot out** and **He will call us who believe up!** The calling up of true believers is the next BIG event to take place. Look at what Paul had to say:

1st Corinthians 15:50-58; Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; nor does corruption inherit incorruption. Behold, I tell you a mystery: We shall not all sleep, but we shall all be changed-- in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed. For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible has put on incorruption, and this mortal has put on immortality, then shall be brought to pass the saying that is written: "Death is swallowed up in victory." "O Death, where is your sting? O Hades, where is your victory?" The sting of death is sin, and the strength of sin is the law. But thanks be to God, who gives us the victory through our Lord Jesus Christ. Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.

1 Thessalonians 4:13-18; But I do not want you to be ignorant, brethren, concerning those who have fallen asleep, lest you sorrow as others who have no hope. For if we believe that Jesus died and rose again, even so God will bring with Him those who sleep in Jesus. For this we say to you by the word of the Lord, that we who are alive and remain until the coming of the Lord will by no means precede those who are asleep. For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. Therefore comfort one another with these words.

Acts 1:9-11; Now when He had spoken these things, while they watched, He was taken up, and **a cloud received Him out of their sight.** And while they looked steadfastly toward heaven as He went up, behold, two men stood by them in white apparel, who also said, "Men of Galilee, why do you stand gazing up into heaven? **This same Jesus, who was taken up from you into heaven, will so come in like manner as you saw Him go into heaven.**"

Here's what Yeshua tells us:

Matthew 24:42-51; Watch therefore, for you do not know what hour your Lord is coming. But know this, that if the master of the house had known what hour the thief would come, he would have watched and not allowed his house to be broken into. **Therefore you also be ready, for the Son of Man is coming at an hour you do not expect.** "Who then is a faithful and wise servant, whom his master made ruler over his household, to give them food in due season? **Blessed is that servant whom his master, when he comes, will find so doing.** Assuredly, I say to you that he will make him ruler over all his goods. But if that evil servant says in his heart, 'My master is delaying his coming,' and begins to beat his fellow servants, and to eat and drink with the drunkards, the master of that servant will come on a day when he is not looking for him and at an hour that he is not aware of, and will cut him in two and appoint him his portion with the hypocrites. There shall be weeping and gnashing of teeth.

Matthew 24:32-35; "Now learn this parable from the **fig tree:** When its branch has already become tender and puts forth leaves, you know that summer is near. So you also, when you see all these things, know that it is near--at the doors! Assuredly, I say to you, this generation will by no means pass away till **all these things take place.** Heaven and earth will pass away, but My words will by no means pass away.

Who is the fig tree? Israel and Israel became a nation in 1948. The Lord left those who were watching a clue. What things have to take place before His return? Read Matthew 24:4-31 for the answer...

As disheartening as the news of today can be, one thing we must do, **watch and be ready at all times.** Yeshua, Jesus Christ, has a blessing in store for all that watch the signs of the times in contemplation of His return. He wants us alert and not caught off guard. We must remember that He gave us clues along the way in the Bible to comfort us so we would not be shocked by what our eyes would see and by what we would experience. Yeshua also loves us and told us He would watch over us and He didn't want us to be afraid or to worry.

Read Yeshua's own words...

Excerpt from John 14:

*"These things I have spoken to you while being present with you. But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all things that I said to you. Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid. You have heard Me say to you, 'I am going away and coming back to you.' If you loved Me, you would rejoice because I said, 'I am going to the Father,' for My Father is greater than I. And now I have told you before it comes, that when it does come to pass, **you may believe.***

Texas Makes Decree No Pro-Islamic Books In Schools »

September 24, 2010

The Texas school board has adopted a resolution urging publishers to keep "pro-Islamic/anti-Christian" language out of textbooks in the state. Among other complaints, the non-binding decree says some textbooks devote more lines to Islam than to Christianity and print "whitewashes" of Islamic culture.

The World Belongs To Who? »

September 22, 2010

Iranian President Ahmadinejad has challenged the United States to accept the fact that his country has a major role in the world and he told reporters at the United Nations General Assembly that the future belongs to Iran and the world will realize this fact sooner than later. Ahmadinejad said...

US Wary Of China's Dongfeng 21D »

September 21, 2010

Why is the US so concerned about the DF-21D? The speed and angle of attack of this new missile are extremely difficult to defend against and it can be fitted with a range of warheads — high explosive; armor-piercing delayed detonation; cluster incendiaries; and even electromagnetic pulse warheads. It isn't even necessary to sink the aircraft carrier for the military objective to have been achieved: It may well be sufficient just to inflict heavy damage on it.

Millions of Students To Pray At The Pole Wednesday »

September 21, 2010

For the 21st time, "See You At The Pole" (SYATP) will bring together students in the United States to their school flagpoles to intercede for their leaders, schools, and families. This year, students from more than other 20 countries are also expected to join in the observance as the student-initiated and student-led movement continues to grow. Since SYATP started in the Ft. Worth suburb of Burleson, Texas, in 1990, the movement has extended its reach to places like Canada, Korea, Japan, Turkey, and the Ivory Coast.

40 Days For Life Starts Wednesday »

September 21, 2010

Bryan-College Station is the birthplace of the "40 Days For Life" campaign. Now, it is a global effort of praying and fasting to end abortion. Demonstrators will take a stand in front of Planned Parenthood facilities across the country from September 22 through October 31. "I had been involved with abortion in the past," said Dr. Haywood J. Robinson, a local physician. "I had been an abortion provider. When I became a Christian, one of the first things I was convicted of was my past with abortion."

[Israel To Teach Students More Genesis »](#)

September 20, 2010

Having conducted a thorough examination, Israel's Education Ministry has decided to revolutionize next year's Bible study program with the aim of restoring Bible education to its original status. "Many students today complete their matriculation exams without knowing the book of Genesis, Abraham and the Hebrew Prophets," Drora Levy, national Bible supervisor in the Education Ministry admitted. "The book of Genesis is the Bible's genetic code, our foundation as a people. Without it we have no roots, no promise," she added.

[Locust Swarms May Meet Match »](#)

September 16, 2010

One of the problems about locusts is the unpredictability of their behavior. If all goes according to plan, however, a team of biologists and mathematicians from the University of Sydney will soon descend on a swarm and try to resolve the mystery. The university group suggests that such changes of movement are mathematically similar to the behavior of a magnetic material like iron — which, if heated above a certain temperature, known as the Curie temperature, loses its magnetism. In both of these examples interactions between individual particles drive sudden changes in group dynamics. The iron stops being magnetic. The locusts change direction.
