

Intelligence Briefing

John 14:27; Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid.

Today's Date: July 31, 2010

Perspective By Bro Stef: Let me start off by saying, the reason for listing all of the headlines below isn't so much that I think anyone will read them all, but instead, it's my way of chronicling the state we all find ourselves within the world today. The headlines serve as a witness to what is happening all around us. If trying to read the headlines is too time consuming for you, just glance at the headlines, the headlines speak volumes.

I was born in 1956, I'm 54 years of age right now and I have been a student of the Bible, with an emphasis on "End-Time Prophecy" for over 30 years now. I cannot remember a time in my years on planet earth, that all the signs we see today ever existed at the same time in history.

As I mentioned in my lead up to this Intel-Briefing a few days ago, *"In America we're faced with a government that is pushing us down the road of Social/Marxism, America's freedom is at stake and the world is wondering what in Heaven's name are you doing over there. We have the rise of another Axis of Evil, Iran and Venezuela, which I discussed two years ago in one of my reports. Russia, China and the Middle East have banded together just as the Bible foretold. So as you see, there's a lot to talk about."*

The headlines that point to the imminent return of Messiah are so overwhelming that I have to force myself to stop listing them. The information flow is so fast and furious it's hard to keep up with it. We have listed in this report about 26 of what I consider the most revealing headlines that have hit the wires. And yes, I have read them all.

The common thread that is revealed in these headlines is the alignment of nations that the Bible has foretold about in Ezekiel, Daniel, Joel, Zechariah, Luke and Revelation. The headlines seem to be focused on Israel, the Middle East including Iran, Russia, China, the Temple Mount, One World Governmental Systems and war – peace and/or violence in the Middle East.

As I prepare for my reports every month I must admit that the negative news can be rather overwhelming, however, I've been called to be a Watchman and my job under God is to watch and report my findings to God's people. I ask God to give me the right words and approach prior to putting these reports together. I do this because the information can alarm some and this I know, if the Lord prepares my heart to write the report, then I know He must prepare your heart to read and prayerfully consider the information passed on to you. **We must keep in mind that the Lord is in complete and total control and nothing and I mean nothing can happen that God does not allow.** We know how the story ends. We know that the Lord has promised to send us the comforter and not leaves us alone! We know God loves and cares for us and will never give us more than we can handle. I say this so that you might be encourage in the face of evil that we see engulfing this planet. **Keep the faith and keep looking to Yeshua – He will always be there for you!**

Before we move on to what I learned this week, I have a thought and a question I would like to ask you. Many say to me, "Stef why do you focus so much of your time on the world and it's events? It's to negative and I just don't want to be bothered with it all, I mean after all God's got it covered. The Lord has commanded us to be aware (Matthew 24:42-51) of what is happening around us, allow me to ask you a question... How big is your God? Are His shoulders broad enough to carry you through the evil's and problems we are faced with today? If God cannot help you to look at the realities of this day with faith and courage, then why should I accept your God into my life? You see, if I want people to accept my God into their life I have to be able to offer them something they currently don't have. Knowing what is happening around us and being able to face it with courage, strength and faith through God, makes us candidates for God to use in the lives of people connected to us! Be people of faith don't allow the problems of the day to cause you to shrink. **Now is the time to be strong and bold, to take a stand and stand for Yeshua HaMashiach (Jesus Christ)!**

What I learned this week:

Lesson #1

In Revelation 3:14-21; the Lord helped me to understand something very interesting, let's take a look at the scripture and I want to focus on the area that I made bold:

*"And to the angel of the church of the Laodiceans write, 'These things says the Amen, the Faithful and True Witness, the Beginning of the creation of God: I know your works, that you are neither cold nor hot. I could wish you were cold or hot. So then, because you are lukewarm, and neither cold nor hot, I will vomit you out of My mouth. **Because you say, 'I am rich, have become wealthy, and have need of nothing' -- and do not know that you are wretched, miserable, poor, blind, and naked-- I counsel you to buy from Me gold refined in the fire, that you may be rich; and white garments, that you may be clothed, that the shame of your nakedness may not be revealed; and anoint your eyes with eye salve, that you may see. As many as I love, I rebuke and chasten. Therefore be zealous and repent. Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me. To him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne.***

As I prayed about these verses I wondered if in fact the United States of America is a type of what these verses are addressing. As I thought about it I felt that this scripture was painting a perfect picture of what the U.S.A. has become. It should be noted that the Angel who was delivering the message was speaking of a church yet to come. Has the U.S.A. become so comfortable with riches and things that we are spiritually wretched, miserable, poor, blind and naked? I think nationally we are. The good news is this, the Lord goes out of His way to let the Laodicean's know that He loves them because He has rebuked them, **"As many as I love, I rebuke and chasten. Therefore be zealous and repent."** Yes America, now is the time to turn and return to the One who birthed you, return America to your God before time runs out!

Lesson #2

In Luke 21 the Lord showed me something that I think is applicable for us today. We'll focus on the BOLD area:

Luke 21:29-33; Then He spoke to them a parable: "Look at the fig tree, and all the trees. When they are already budding, you see and know for yourselves that summer is now near. So you also, when you see these things happening, know that the kingdom of God is near. Assuredly, I say to you, this generation will by no means pass away till all things take place. Heaven and earth will pass away, but My words will by no means pass away.

I've read the scripture above in my 35 years of walking with Yeshua hundreds of times I'm sure, but I never caught this simple truth until now. For the sake of argument agree with me that the fig tree is Israel. I could take you through an exhaustive study and prove to you that's exactly what the Lord was talking about, but I don't have the space for the intelligence briefing.

I know a few things about fig trees. I have one in my backyard. Every spring it starts putting out its leaves (budding) and I know summer is right behind that event. I can count on that tree to indicate to me what's happening around me. So it is with the global events around us now, we can know, if we ask God to show us, what time it is on His clock. This I can promise you, it's almost time for the Messiah to be revealed for the second time. **Are you and your loved ones ready?**

Okay, so if the fig tree is Israel then what did the Holy Spirit want us to see about the term "*all the trees*"? I believe that what the Lord wanted us desperately to see is this, and again, this is a very simple truth, but powerful when you look at it against all that is happening right now. The term, "**all the trees**" means all the nations. Yeshua wanted us in this generation not to miss the events of our day. Israel budded in 1948 and the rest of the nations that the Bible has talked about in the Prophets have or are budding right now. The EU is now a super state, Iran is on its way to becoming a nuclear power, China has become one of the wealthiest nations on earth and has one of the largest militaries on earth, Russia has been reestablished and the mechanisms for a One-World Government are here right now in place.

My friends, the world powers have budded and have blossomed along with Israel right before our eyes. What this means is that the return of Yeshua cannot be far off. **We are the only generation in history to see not only Israel but the nations of the globe mature side by side in unison. Before 1948 this was impossible!**

The words of Yeshua ring in my ears like trumpets, "*Assuredly, I say to you, this generation will by no means pass away till all things take place. Heaven and earth will pass away, but My words will by no means pass away.*"

We must understand what the Lord is telling us here. Don't excuse it away. Don't ignore the signs, be diligent, be watchful, be prayerful and warn those you know that He's coming and that time is of the essence. Tell everyone you know to prepare to meet God! **His words will not pass away, they will come to pass because He said they would!**

God Bless and Lord Willing We'll Talk Again Soon,

Bro Stef

The Palestinian terrorist group Hamas plans to eliminate the Jewish state of Israel

By [Prophecy Today . Com](#)

July 22, 2010

A spokesman for Hamas, the Palestinian terror group, said that the Jihadist movement is loyal to Palestinian principles in its policy of terrorism against the Jews until Israel ceases to exist and said that any offer by the PA President Mahmoud Abbas to establish a Palestinian state, even with temporary borders, is rejected by Hamas.

Osama Hamdan, the Hamas spokesman, said the Hamas plan is based on obtaining a Palestinian state by force of arms, not by way of a grievance, a path which has failed and that Hamas will fight to eliminate the Jewish state of Israel altogether.

Jimmy's Prophetic Prospective on the News

The statement by Hamas, the Palestinian terror group, that they plan to eliminate the Jewish state of Israel, is a page out of Bible prophecy.

The Israeli-Palestinian conflict has been the focus of world leaders over the last several decades as they have worked to bring about a resolution to this conflict. However, the truth be known, as revealed in the recent Hamas declaration, the elimination of the Jewish state of Israel is a Palestinian principle. Both Bible history and prophecy confirm this Palestinian principle. In the book of Genesis, we have the record of the birth of Jacob and Esau, Genesis 25:23-26.

In Genesis 27, the account of Jacob stealing the birthright and blessing from Esau reveals that Esau then made a pledge to kill Jacob. History down through 4000 years has revealed to us the conflict continues even until today with Jacob, the Jewish people of today, and Esau, the Palestinian people of today, still in that conflict of 4000 years. Bible prophecy foretold of this conflict during the end times. Ezekiel, the ancient Jewish prophet, wrote that the Edomites, the descendants of Esau, the Palestinian people today, would want to kill the Jews, the descendants of Jacob, and then take the land that God had given to them, Ezekiel 35.

The Hamas plan to eliminate the Jewish state of Israel is indeed a page out of Bible prophecy, Bible prophecy that will be fulfilled.

Jews in Jerusalem and around the world today are praying for another temple to be built in Jerusalem

July 20, 2010 | <http://news.prophecytoday.com/>

Today Tish B'Av, the 9th day of the Jewish month Av, is the day on the calendar in 586 BC and 70AD that both the first and second temples were destroyed. The first temple being destroyed by the Babylonian army led by Nebuchadnezzar and the second temple devastated by General Titus and the Roman army.

Jews on this day gather near the area where these temples once stood at the Western Wall and during the 25 hour fast they read the book of Lamentations and pray for the temple to be rebuilt by next Tish B'Av, a prayer that has been prayed every day for over 1900 years.

This Tish B'Av hundreds and thousands of Jews marched to the Temple Mount led by Gershon Solomon, head of the Temple Mount Faithful, to not only read Lamentations and pray for the rebuilding of the next temple, but to also protest American pressure to even give up the Temple Mount to the Palestinians for a Palestinian state.

Jimmy's Prophetic Prospective on the News

Even as America applies pressure on the Israeli government to give up the Temple Mount, there are Jews preparing to follow through on their prayers for a Jewish temple on the Temple Mount. They have everything ready to build the next temple and fulfill Bible prophecy.

On Tish B'Av hundreds and thousands of Jews gather at the Western Wall in Jerusalem and at the seven gates that lead up onto the Temple Mount to read the book of Lamentations and to pray for the temple to be rebuilt by next Tish B'Av.

US pressure on Israel to give up the Temple Mount is in the face of God's plan for this sacred piece of real estate. 2500 years ago the ancient Jewish prophet Zechariah that the Messiah, Jesus Christ, would come back and build His temple, the kingdom temple, on the Temple Mount (Zechariah 6:12). I must remind you, however, that before Jesus builds His temple, there will be a temple in the seven year Tribulation period (Daniel 9:27, Matthew 24:15, II Thessalonians 2:4, and Revelation 11:1.) This next temple will be desecrated by the false messiah, the Antichrist. All preparations have been made for that temple, the tribulation temple, to be rebuilt and they could start construction today.

On Tish B'Av remember - Bible prophecy will be fulfilled.

The Hal Lindsey Report

July 30, 2010 | Sent via e-mail | <http://www.hallindsey.com>

On this week's edition of "The Hal Lindsey Report": Under the leadership of President Obama, Israeli-US relations have taken quite a beating. His 'popularity' ratings in Israel are in the single digits. The Israeli public simply does not trust him and they feel like America has thrown Israel under the bus.

Apparently, that didn't bother the Administration and it was "full speed ahead" in the drive to cozy up to the Arab-Muslim world. It seemed that no cost was too great -- even abandoning Israel -- if it accomplished the President's goal of American-Muslim affinity.

But now we know that there really was a point at which the cost became too great. The Democrat National Committee recently realized that it was many millions of dollars down in its fundraising for the upcoming mid-term elections. And it was glaringly apparent that the constituency from which the giving had dried up was the American Jewish community. So, as I reported a couple of weeks ago, the White House went into damage control mode and started a charm offensive toward Israel and the Jewish community.

White House operatives fanned out and began to sweet talk the Jewish organizations here in the States. President Obama invited Prime Minister Netanyahu back to the White House and, evidently, promised that he'd be a better host this time than he was last March. He might even allow himself to be seen in public with the Prime Minister and certainly wouldn't stomp out of any meetings and leave the PM sitting, staring at the walls.

So Netanyahu returned and everyone made nice before the cameras. Obama even walked Netanyahu out to his car and added some extra pumps to his farewell handshake!

This past week, an Assistant Secretary of State appeared before a Jewish audience and confirmed that, indeed, "Israel is a vital ally and cornerstone of our regional security commitments." Now, that sounds pretty good at first, but I think it woefully understates the case. Israel is not just a "vital ally" in that region. Israel is our ONLY ally in the Middle East.

What's more, unlike our other friends in the area who are simply 'allies of convenience,' Israel and the United States are natural allies because we share common values, freedoms, ideals, goals, ideologies, and respect for human rights and the law. We even share a common Bible. Many Israeli citizens were born and reared in the US. The Mosaic Law is the foundation of our own law. And our rule of law is a big part of what makes America so successful. To say Israel is anything less than our greatest ally -- especially in the Middle East -- is to be less than clear-eyed or honest.

Yet, despite all this, the Bible says that eventually Israel will stand completely alone and friendless against the entire world.

Where's America?

I believe these are dangerous days for the United States. Paul predicts that, in the last days, "perilous times" will come. He also describes what I believe will be the condition of the world's most Christian nation in those days. Here is his portrait: "...men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving (one translation says 'without natural affection'), unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power...."

If I didn't know better, I would say Paul had just spent the evening watching network television (and flipping over occasionally to MSNBC). Could you paint a better picture of America at this very moment?

Jesus even described the Western church in these days. He said, "Because you say, 'I am rich, have become wealthy, and have need of nothing' -- and do not know that you are wretched, miserable, poor, blind, and naked...." He also declared that since we were so self-absorbed and influenced by the world's decadence that we would be neither cold nor hot, but lukewarm. And that made Jesus nauseous.

So, now I can see why Israel will be completely alone in the future. America won't matter anymore.

However, though God's People will face terrible times in the future, they will not be completely abandoned. Jesus Himself will return to fight for them. And for those of us who have accepted the pardon He died to purchase? The news is even better. We won't be here for those terrible times. You see, we will be where Jesus is because He will snatch us away before those troubles begin.

As we say in Texas, if that ain't Good News, I don't know what is!

Ex-CIA chief Hayden: Military action against Iran "seems inexorable"

By *Debkafile's*

July 25, 2010

Ex-CIA Director Michael Hayden said Sunday, July 25, that during his tenure (under President George W. Bush), a strike was "way down the list" of options. But now it "seems inexorable" because no matter what the US does diplomatically, Tehran keeps pushing ahead with its suspected nuclear program. Talking to CNN's State of the Union, Gen. Hayden predicted Iran would build its program to the point where it's just below having an actual weapon. In his view, "That would be as destabilizing to the region as the real thing."

Debka *file's* sources take this as affirmation that neither Saudi Arabia, the Persian Gulf states nor Israel will be willing to live on constant edge with an Iran which can build nuclear bombs or warheads whenever it likes. They note that Hayden has added his voice to a growing number of leading American figures and publications which have indicated in the past fortnight that the military option against Iran has climbed the top of President Barack Obama's list of priorities.

Shiloh, Israel's Capital for 400 Years, Being Uncovered

By Israel National News

July 28, 2010

As Israel's enemies attempt to deny the nation's connection to its homeland, archaeologists keep digging at the facts. In Shiloh, north of Beit El, excavations are currently being carried out under the auspices of the Archaeological Staff Officer for Judea and Samaria in the IDF Civilian Administration Antiquities Unit and the Binyamin local authority. Shiloh was where the Holy Sanctuary – precursor to the Holy Temple – stood for about 400 years during the era of the Judges. It is first mentioned in the Book of Joshua, which also states that the Holy Sanctuary was built there. In the Book of Samuel, Shiloh is mentioned as a religious center, where Elkana and his family go to give sacrifices to G-d. During that pilgrimage, Elkana's wife, Hana, asks G-d to give her a son – and eventually gives birth to Samuel the Prophet. [Read Story Here](#)
